1-844 MOEBIUS , Ext. 1 (1-844-663-2487, Ext. 1)

**Greetings.** We would like to introduce you to the Moebius Syndrome Foundation, a national organization for children and adults with Moebius syndrome, their families, and professionals. We are the oldest and most experienced nonprofit dedicated to Moebius syndrome and are a 501(c)(3) nonprofit organization. Our mission is to provide information and support, promote greater awareness and understanding of Moebius syndrome, and to advocate for scientific research to advance the diagnosis and treatment of Moebius syndrome and its associated conditions.

Moebius syndrome is a rare neurological, craniofacial disorder that manifests itself primarily in facial paralysis. Individuals with Moebius syndrome cannot smile or frown, and do not have lateral eye movements. Many people with Moebius syndrome also have limb abnormalities, respiratory problems, speech and swallowing disorders, and other complications that impact health and well-being.

Our organization holds conferences every two years. The 12th Moebius Syndrome Foundation Conference will take place Friday, July 15, through Sunday, July 17, 2016 in Los Angeles. The national conference is a place for people with Moebius syndrome to learn about treatments and the latest research, and is also a social outlet for those with Moebius. It reminds these individuals that they are not alone in confronting their challenges.

We would like to ask you as an individual, company, or another organization to consider sponsoring or donating towards the Moebius Syndrome Foundation Conference. We suggest support in any of three ways: Sponsoring the conference, purchasing an Ad in the Conference Journal, or donating towards the scholarship fund that will enable families attending the conference for the first time with financial need to attend. All sponsors receive a complimentary Journal Ad. Donations and pledges of donations in 2015 and 2016 will be combined to arrive at your sponsorship or donation level.

Please contact the Moebius Syndrome Foundation at 1-844 MOEBIUS, ext 1 (663-2487), or email [conference@moebiussyndrome.org](mailto:conference@moebiussyndrome.org) with any questions or comments you may have. On behalf of the Moebius Syndrome Foundation, I thank you in advance for your consideration for our request.

Sincerely,

Member, Moebius Syndrome Foundation
