

Moebius Syndrome Foundation Young Adult Advisory Board Application

The Moebius Syndrome Foundation is seeking applications from young adults with Moebius syndrome aged 16-25 to join a this advisory board. This group serves an advisory role to the Moebius Syndrome Foundation Board of Directors, keeping them apprised of issues relevant to their age group. **Applications are due by April 15, 2016.**

Name

Address

Phone

Email

Age

Please list the highest grade level or degree you obtained in school or college. If you are still attending school, please indicate that.

What does having Moebius syndrome mean to you? Please explain the role that Moebius syndrome or the Moebius Syndrome Foundation plays in your life.

Why would you like to join the young adult advisory board? Is there anything you are particularly interested in helping with, for example, awareness, social media campaigns, ideas for conferences, or getting teens and young adults connected.

Do you have any special skills, experience, interests, or accomplishments that might be helpful to the board?

List and briefly describe any school activities, jobs, organizations, or extracurricular activities that you have been involved in.

The board will meet via videochat approximately twice per year and will help run teen and young adult activities at the biannual conferences. Do you have the time to devote to these activities without taking away from your school work and other commitments?

Please email your completed form to Kathleen Bogart at Kathleenrbogart@gmail.com.
