

THE MOEBIUS SYNDROME FOUNDATION

Portland Mini-Conference

April 5 – 7, 2019

The Moebius Syndrome Foundation, the nation's largest organization dedicated to providing information and support to individuals with Moebius syndrome, is hosting its 1st Mini-Conference in Portland, Oregon, April 5-7, 2019. This is an exciting new venture with a goal of bringing a taste of the national conference to families and individuals across the nation. These small meetings will be more affordable and accessible to many, and we are proud to be able to support these important events.

Mini-Conferences will be held in different locations, twice a year. They will focus on support for families and individuals with Moebius syndrome, education, social activities, and some research opportunities. We invite you to join us. Thank you for your support.

Please consider sponsoring or donating to support these meetings.

 **Sponsor:** There are various levels of sponsorship. Please see the grid below for all the benefits available.

 **Donate:** To fund Mini-Conference events as well as scholarships for families in financial need.
