MOEBIUS SYNDROME FOUNDATION

# Sponsorship and Exhibitor Information

The Moebius Syndrome Foundation (MSF), the nation's largest organization dedicated to providing information and support to individuals with Moebius syndrome, is hosting its national conference in Pittsburgh, PA on July 22-25, 2027. This is the premier event for support, education, research and scientific presentations, and social activities for the Moebius community.

Moebius syndrome is a rare, neurological disorder caused by the impairment of the 6th and 7th cranial nerves. The incidence of Moebius syndrome is roughly 2 to 20 cases per million births.

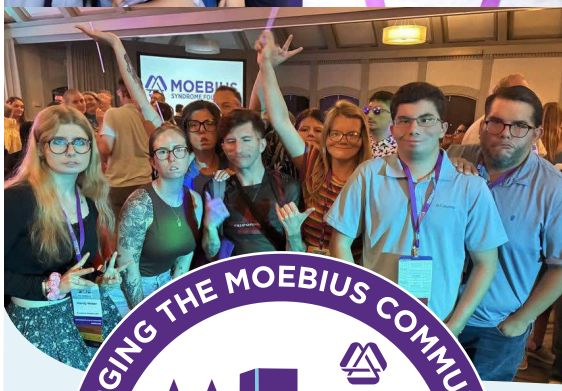
# Partner with us to empower the Moebius syndrome community!



The Moebius Syndrome Foundation Conference is an opportunity to bring together individuals, families, researchers, and healthcare professionals from around the world. As a sponsor, you will not only enhance your visibility but also make a meaningful impact on the lives of those living with Moebius syndrome.

## What is the Moebius Syndrome Foundation Conference?

The 18th Moebius Syndrome Foundation Conference is being held in Pittsburgh, PA on July 22-25, 2027. This will be a time for people to connect, meet others for the first time, attend educational sessions, participate in important research opportunities, meet one-on-one with expert healthcare professionals, and have a lot of fun at many social events. We anticipate that over 350 attendees from around the U.S. and some other countries will attend in 2027, and we invite you to support this important event.

## Why Sponsor and Exhibit?

- **Reach a Dedicated Audience:** Gain exposure to families, individuals with Moebius, medical professionals, and researchers passionate about Moebius syndrome and similiar rare conditions.
- **Support a Worthy Cause:** Help advance awareness and research, and give families and individuals living with Moebius syndrome the crucial opportunity to gather and connect with one another.
- **Increase Your Brand Visibility:** Take advantage of on-site and digital advertising opportunities.
